

Nanaimo Hospitality Festival & Events Application - October 2018

This application form is for a **Nanaimo Hospitality Festival & Events Grant**. If your event is sport-related, or for a tourism venture or a feasibility study, please use one of the other two applications found on the Nanaimo [Hospitality Assn website](#). Please do not print this application and complete it by hand, other than for a working copy. All applications must be submitted online at the links found under Step 3 on the [NHA website](#).

Please read the **Program Information Guide** found on the [Nanaimo Hospitality Assn webpage](#) BEFORE completing this application form so you are aware of the eligibility requirements and evaluation criteria for this grant.

It is advisable to read the Question Preview document so that you know what questions will be asked and you can gather all of the required information BEFORE you begin the application. Once you have started the online application process, you are required to fill out the entire application in one sitting, as you will be unable to save your progress. You will be able to change your answers within the application while you are completing it, but once you have submitted the application, you will not be able to go back and add or change any of the information in the online form. For your records, you will be sent a copy of your completed application following the grant application deadline.
