

Nanaimo Hospitality Feasibility Study / Tourism Project Grant Application

This application form is for a **Feasibility Study Grant**, for new tourism ventures or sport initiatives. If you wish to apply for funding for a multi-day festival or sporting event, please use one of the other two applications on the [Nanaimo Hospitality Association website](#).

Please read the Nanaimo Hospitality Grants Program Information document located under Step 1 BEFORE completing the application form so you are aware of the eligibility requirements and evaluation criteria for the feasibility study grant.

Please note that the Nanaimo Hospitality Association is no longer able to provide funding for sport infrastructure improvements.

Please ensure you have ALL of the required information BEFORE you begin to complete the application. Once you have started the online application process, you are required to fill out the entire application in one sitting, as you will be unable to save your progress. You will be able to change your answers while completing the application, but once you have submitted the application, you will not be able to go back and add or change any of the information on the online form.

All submitted applications will be emailed to you after the grant deadline so that you have a copy for your records.
